SUPPLEMENTARY INFORMATION:

Background

The antidumping duty order on ironing tables from the PRC was published on August 6, 2004.² The sunset review on the antidumping duty order on ironing tables from the PRC was initiated by the Department on May 1, 2015 pursuant to section 751(c) of the Act.³

The Department received a notice of intent to participate from Home Products International, Inc. (Petitioner), within the deadline specified in 19 CFR 351.218(d)(1)(i). Petitioners are manufacturers of a domestic like product in the United States and, accordingly, are domestic interested parties pursuant to section 771(9)(C) of the Act.

On May 27, 2015, the Department received an adequate substantive response to the notice of initiation from Petitioners within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive any responses from the respondent interested parties, *i.e.*, ironing tables producers or exporters from the PRC. On the basis of the notice of intent to participate and adequate substantive response filed by Petitioners and the inadequate response from any respondent interested party, the Department decided to conduct an expedited sunset review of this order pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C).

Scope of the Order

The merchandise subject to the order consists of floor-standing, metal-top ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. The subject tables are designed and used principally for the hand ironing or pressing of garments or other articles of
